

Stepping Stones Facility Rentals

Summer 2021

Background

Stepping Stones Retreat Society (Stepping Stones) is a non-profit organization that operates a Bible Camp in Deroche, British Columbia. Stepping Stones exists to encourage youth to know Christ more deeply. Your rental supports this vision and enables youth to come to camp!

Stepping Stones operates on a 160 acre mountainside property. Our property has a humble assortment of old farm buildings with a magnificent vantage point over the eastern Fraser Valley along with a slice of steep mountain side. The mixture of humble existence combined with the joy and wonder of the views is simply captivating and speaks to the message of the Bible Camp.

We share our property and facilities with people and groups who are looking for a wedding at an exceptional location, a family reunion, company team building, or a quiet retreat.

You've probably already checked out all the photos of our property and facilities on our website.

At Stepping Stones, our decisions, attitudes and behaviours are always: Gospel-Saturated (Holy), Joy-Filled (Happy), and Safety-Focused (Healthy). We love renting to Rental Parties who share our values!

To ensure you have a great experience at Stepping Stones, we have outlined Rental Expectations in the following pages. Prior to booking, a Rental Party representative will need to sign and submit the Rental Agreement.

We look forward to seeing you at Stepping Stones!
