

Spencer Pruum is excited to spend the first four weeks of camp as an assistant director. Having experienced camp as both a camper and a counselor, he is thrilled to join the staff this year. Spencer loves being surrounded by the camp's beautiful setting, the wonderful people who serve there, and the holiness, happiness, and healthiness found among the campers. As a middle school teacher, he is no stranger to working in a team to bring joy to youth. He looks forward to witnessing God's work this summer as His covenant children come together at Stepping Stones.

Ethan VanWoudenberg will be serving at Stepping Stones 2025 as Assistant Director for the last 3 weeks of camp, and is absolutely thrilled to be doing so! Stepping Stones has always been a big part of Ethan's life and he doesn't plan on letting that change anytime soon. Being a part of an atmosphere where everything done is Christ-centered always leaves a big impact on his life and he hopes it will leave a big one in all of yours too! He eagerly looks forward this year to meeting all the people who will be joining him at camp for the singing, the activities, the chapel, and the meal times. While waiting for Stepping Stones to happen, Ethan works at Legacy Windows alongside his fellow teammates. In his free time he enjoys activities such as ice hockey, hiking, and riding his motorcycle. Praying for another blessed summer!
