

Hey Everyone, my name is Perogi and ever since I moved to BC in 2019, I've been involved with Stepping Stones in some way. You might know me as Pastor Segstro, and, chances are, I've preached at your church before. At Stepping Stones the tie is loosened, the title drops off, but the excitement and passion for God's Word is there, just the same! As chaplain, I have the best job of them all - leading you in worship at our chapels each day! I get to lead you in prayer, in singing, and I get to give you insight from the Bible. I can think of nothing better to do with my time! Looking forward to worshipping God together with you this summer!

Dogmatix first served as a cabin pack counsellor back in 2003, during the first summer of Stepping Stones. Over the years he's had the privilege of serving as a counsellor, staff member and chaplain at Stepping Stones in BC and Campf!re Bible in Ontario. It's always a joy to spend these weeks singing one's heart out, constantly being immersed in the Bible and prayer, and having great conversations with campers (plus counsellors and staff members) about what Jesus Christ has done for them.

My name is Anthony Vandergugten, and I'm looking forward to taking up the role as Chaplain again this year. I've been a part of the Stepping Stones family since 2006, back when camp was first held in Deroche – This will be my tenth time serving as Chaplain, and each year has been a blessing. My favourite part of camp is the joyful singing that fills the Chapel and echoes around the campfire. There's something amazing about uniting our voices together in praise. I am encouraged to see the growth in relationships between the campers and their counselors throughout the week. Seeing those connections grow is incredibly rewarding. Outside of camp you can find me at John Calvin Christian School, completing my 25th year of teaching. You can also often find me enjoying the outdoors walking our dogs along the Vedder River or trying my luck fishing in its waters. I'm really looking forward to camp this year, sharing in fellowship, and growing in faith together. If you see me around, please don't hesitate to say, "Hello Sasquatch!"

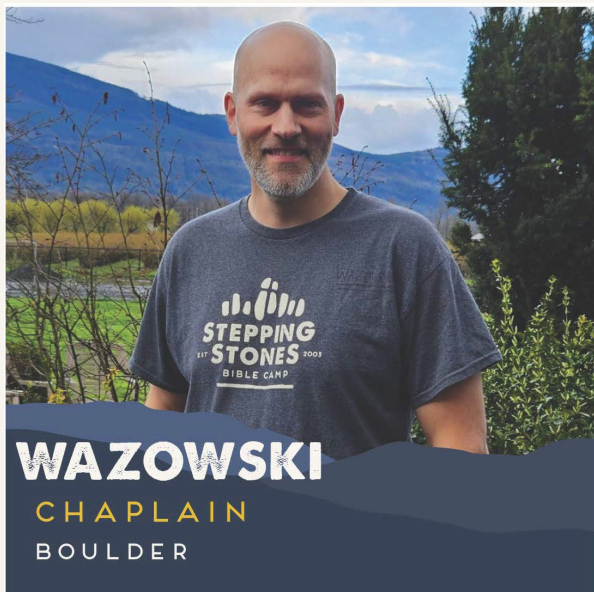

SNAILHUNTER

CHAPLAIN

STONES 2

Hi, I'm Snailhunter! I'll be serving as chaplain for the first time this year, and I'm looking forward to it! It has been 14 years since I was last at Stepping Stones as a counsellor, and so I'm excited to serve as chaplain and share the beauty of God's creation with the kids. While I haven't been at camp for a long time, I've heard so many good things about it from so many people, and so I can't wait to jump in and see God's work through the week. In my spare time I love working around my house outside, or else travelling to see more of God's world.

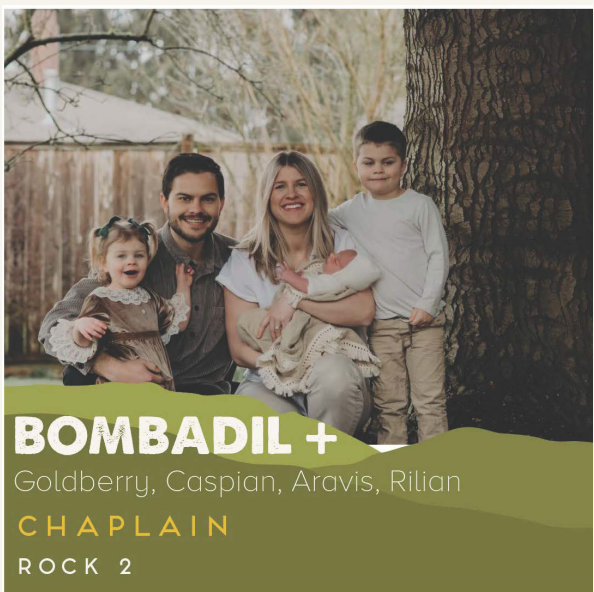

WAZOWSKI

CHAPLAIN

BOULDER

Hi everyone! My name is Mike Vandergugten, and at camp I'm known as Wazowski.

My children have attended and served over many years, and in 2023 I got to experience camp for myself when I served for the first time, as chaplain. It was a really enriching time, so I'm excited to be back to serve again this year. My favourite part of camp is shining the light on Jesus because He's awesome! And the singing! Delightful! My hobbies and interests include hiking, canoeing, camping, and nature photography, and spending time with my beloved wife and kids

BOMBADIL +

Goldberry, Caspian, Aravis, Rilian

CHAPLAIN

ROCK 2

Bombadil was there when the first raindrop fell, he knew the first acorn, and was there as a camper when Stepping Stones started. Bombadil grew with the world of Stepping Stones, he and his yellow boots (shirt) served as a cook help, counsellor, and staff. Bombadil is returning as a chaplain this year with his wife Goldberry and assorted heroes from the broader Inklings Multi-Universe, Caspian, Aravis, and Rilian. There is nothing Bombadil loves better than to sing and read God's truth at Stepping Stones under the blue sky of the meadow, the shadowed canopy of the forest, or the starry hosts of the dark night. He also delights in the times of warm fellowship around hearty Stepping Stones Breakfasts, Lunches, and Dinners
