

Hi! I can't wait to be one of the Camp Nurse's this year and experience Stepping Stones for the first time!! I've been a RN for 8 years and currently work in the Operating Room, I also do some casual in home nursing care for a teenage boy. In my spare time I'm either hanging out with my 5 nephews, playing on a basketball or volleyball team, traveling somewhere new, or camping with my family. I'm looking forward to being a part of all the campers camp experience and help make sure everyone has a great and safe time!

Dory and Whatchamacallit are back again to serve as nurses for Camp 2025
