

My name up at Camp is Pork-Chop, I've been doing camp for a short 7 years since 2018, and this will be my 3rd year as staff. My favorite part of camp is the singing, I love the energy that comes with it and its always such a blessing to hear kids sing their hearts out. My hobbies include playing and competing in disc golf, playing guitar, and I enjoy snowboarding, reading, and listening to music.

My Role as Head Programs Director, involves planning and running the schedule of camp. We run games, setup activities, and bring a holy, happy, healthy atmosphere to camp together with the rest of the staff.

I'm Yahtzee,

I've volunteered at camp either on the programs staff or as a counsellor every year since I could first apply, starting in 2016. I love having the opportunity to give back to stepping stones for all the good times and memories I had as a camper. Being at camp is always one of the highlights of my year. As programs director your day is pretty packed from start to finish. You keep busy with running games, activities, mealtime entertainment, and campfires. It's busy but a lot of fun and very rewarding. Being able to simply be at camp and help make a week of spiritual growth for campers, counselors and staff alike fun and memorable is my favourite part of volunteering.

Rock 1 | Rock 2 | Stones 2 | Boulder

Hey everyone! My name is Sara Breukelman, but while I'm at camp I am known as Tigger! I am so excited to be on the Stepping Stones staff this year as your Assistant Programs Director! I have been a counselor at camp for the past 3 years and loved the time spent worshipping God with our voices, hearts, and service to each other while at camp. I cannot wait for another summer of service to God and for all the memories to be made with campers, counselors, volunteers, and staff! When the summer comes to a close I will be going back into my final year of Nursing school at TWU. I also getting outside to enjoy all the beautiful hikes that can be found in the Fraser Valley and beyond!
